

ABOUT

The Holy Rosary Parish Golf Tournament is the renewal of rich golf traditions in the West Seattle community. The tournament, which is open to all parish members and their guests, includes lunch, prizes, games, serious competition, and many community-donated items for raffle.

Money collected from mulligan sales, raffle prizes, and generous local community sponsorships will help build Holy Rosary School's Father James Mallahan Endowment Fund.

This endowment is named to honor the late Father James Mallahan, a kind and generous leader in our faith community (and an avid golfer). Proceeds from the endowment help support Holy Rosary's commitment to community and excellence in education.

The children of Holy Rosary thank you for your kind support and hope you enjoy a great day of golf, friends, and family.
