

## Holy Rosary Parish Stewardship Contract

Below are the criteria to establish In-Parish Tuition eligibility:

IN-PARISH: We are eligible for In-Parish status: Families who participate in the life of the parish and are partners in its greater work and mission are eligible to receive a reduced tuition rate at our school in recognition of being truly vested in the parish community. Families who do not participate in the life of the parish and our greater work and mission pay the Full Tuition amount. To qualify for 'In-Parish status', a family must:

1. Be registered with Holy Rosary parish as members.
2. Participate in the life of worship at Holy Rosary by attending Sunday Mass regularly (*i.e.*, most Sundays), keeping holy the Lord's Day. God gives us so much. But it is important for us to include the worship of Him as a part of our week, doing so in the community in which He gathers us into as the Body of Christ.
3. Participate in the life of discipleship and service at the parish by joining in at least one of the many *non-school* ministries or groups. While the school is a part of the parish, we ask individuals who are active parishioners to not just be a part of this school sub-community, but truly invested in the whole parish community in some way. To indicate the ways this is happening, individuals must fill out a Time and Talent Commitment card during the annual recommitment.
4. Support the parish's mission through financial donations, as you are able. It is important that we make a return to the Lord for all the good that He has done for us (Psalm 116). In practical terms, financially supporting the parish supports its works and ministries, including the school. This includes filling out a Stewardship Commitment during the annual recommitment time. The minimum giving expectation is \$1,020 per year (\$85/month, far below the tuition discount received).
5. Families new to Holy Rosary Parish and School will be considered eligible for the in-parish tuition rate when they have been registered for 6 months and have met the above criteria, or when they have provided the school and parish office a written statement from their previous pastor about their active engagement in worship, service and regular financial support at their previous parish.

Families who in the past have been granted In-Parish tuition, though perhaps have not been meeting these expectations of discipleship, are encouraged to start making greater strides to be vested in the parish community as outlined above.
