

Holy Rosary Christmas Tree Lot COVID-19 Protocols for Customers

The ongoing pandemic has altered our daily lives, but we hope this Christmas season we can add a sense of normalcy and bring joy to you and yours. Holy Rosary School is committed to providing a safe and healthy tree lot for our volunteers and customers. We have developed the following COVID-19 plan and we need everyone's assistance to make this a successful experience.

COVID PROTOCOLS

Before Arriving

If anyone in your group has Covid-19 symptoms or have been exposed to anyone with those conditions in the last 14 days please do not visit the tree lot. Instead, place an order for front porch delivery through our website. COVID-19 symptom screening will be provided at the tree lot entrance and to volunteers prior to arriving. Volunteers will sign the attestation as they arrive for each shift.

Face Masks

Universal face coverings are required. Please wear a two layered face covering over your nose and mouth at all times. Our volunteers will wear face masks at all times while at the tree lot .

Social Distancing

Ensure that you are keeping a minimum of 6' distance between your group and others outside your household.

Sanitizing

We will have hands-free hand sanitizer stations at the tree lot for use by volunteers and customers. In addition, sanitizing spray or wipes will be used after each use of common touch items. There will be no public restrooms available.

Signs will be posted throughout the lot to remind customers and volunteers of these protocols.

SHOPPING

Entry/Capacity

The only entrance into the Tree Lot will be from the parking/drive thru area. No entrance will be available from 41st Avenue. Line up locations will be noted on the outside of the tree lot as we adhere to County/State regulations for capacity. Our footprint hasn't changed, but the lot will limit the type and number of trees in order to provide more open space.

Shop from Your Car/To Go Trees

We will offer trees tied and ready for customers that want to limit their time at the lot. If you've shopped our tree lot before, our trees are all above average shape and density. They will

have a fresh cut and ready to take home. Just inform a volunteer and they will assist you by bringing 3 trees to your car for you to choose from. The lot will stock Douglas, Fraser and Noble firs in sizes ranging from 4'-8', special orders up to 11' available upon request.

Payments

Contactless payment via credit card. Cash accepted, but not preferred. Buy online at HolyRosaryWS.org/Give/Tree-Lot and pick up in the lot or opt for delivery. Plexiglass divider between cashier and customers.

Tie-On Area

We will provide twine to tie your tree on your car. Or if assistance is needed we request you stay inside your vehicles, with windows rolled up, or step away from your vehicle while our volunteers tie the tree to your roof. Our volunteers will wear a face mask at all times.
