

Summer is all about fun and relaxation. It is a time to spend time with family and friends and recharge between school years. We hope that you can find some time for math this summer, too! To meet the Summer Math Challenge, you need to complete 15 hours (or 900 minutes) of math over the summer.

WHY SHOULD I DO MATH?

- Keep your skills sharp over the summer.
- Start the new school year with confidence!
- Feel prepared for our first MAP test in the fall.

WHAT TYPES OF MATH CAN I DO?

- Math skills workbooks
- Happy Numbers
- Aleks
- Flashcards
- Math apps
- Tutoring
- Math camps

ANYTHING ELSE?

- ❖ Students can keep track of their math minutes on the record sheet with the timers.
- ❖ Students can fill out the back of the sheet with the types of math they did!
- ❖ The calendar is due by **Friday, September 9th** to either your homeroom teacher or to Mrs. Heuer.

WHAT'S THE REWARD?

- ✓ Besides keeping your math skills sharp, students who complete the challenge will also take part in a doughnut day celebration in the school hall in mid-September!

SUMMER MATH CHALLENGE RECORD SHEET

STUDENT'S FULL NAME: _____

CLASS IN THE FALL: _____

PARENT SIGNATURE: _____

For every 10 minutes of math that you do this summer, shade or highlight one of the timers. If you have all of the timers shaded, then you've met the summer math challenge of 15 hours! Please return to Mrs. Heuer or your homeroom teacher by Friday, Sept. 9th!

| | | | | | | | | |
|---|---|---|---|---|--|---|---|---|
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |
|  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |  10 min |

***On the blank math textbook, you can write examples of the types of math you completed this summer.
It will be fun to see all of the different ways that students completed the math challenge!***

SOME EXAMPLES OF TYPES OF MATH ARE:

ALEKS, HAPPY NUMBERS, MATH CAMPS, FLASHCARDS, MATH APPS, TUTORING, OR MATH WORKBOOKS.
